

passion
for precision

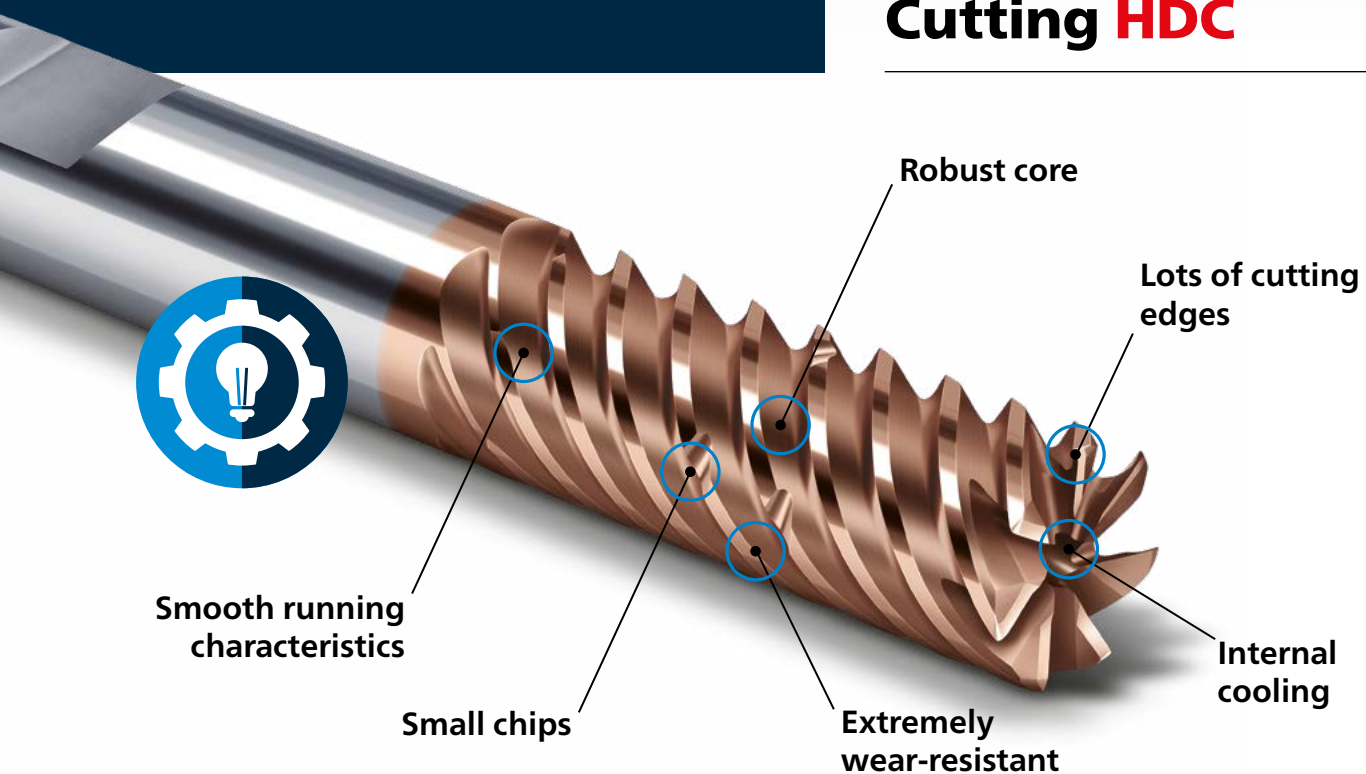

New **productivity** and **tool life horizons** for machining stainless steels

FRAISA – Your technology partner for milling processes

Article S8608/S8508 and S8618/S8518

SX – High Dynamic Cutting **HDC**

 **20% higher productivity**

 Sustainable thanks to **FRAISA ReTool®**

 **30% longer tool life**

 **Process stability that inspires**

 **FRAISA product quality**

 **Verified application data**
